

**Strengthening Democratic Governance and Accountability Project (SDGAP) in Sri Lanka**  
A three-year USAID initiative (2016-2019) implemented by DAI Global, LLC.

June 10, 2019

To whom it may concern

Subject: **Letter of Recommendation**

Dear Sir/Madam,

On September 27, 2016 United States Agency for International Development/Sri Lanka contracted DAI Global LLC (DAI) to implement the Strengthening Democratic Governance and Accountability Project (SDGAP) in Sri Lanka.

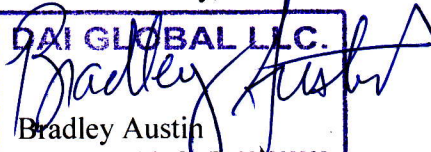

SDGAP Sri Lanka began to expand in the third year of the project and identified that the number of Human Resources were inadequate. This caused an immediate recruitment to fill in and replace vacant positions. We came across BConnected (Pvt) Ltd as a potential recruitment agency, having hands on experience in providing staff to highly reputed INGOs and corporate companies in Sri Lanka. Understanding the urgency, the service extended by BConnected proved the ability to function in many different areas such as event management, recruitment and office support.

BConnected (Pvt) Ltd always ensured prompt response to all the requirements of SDGAP and guaranteed a professional service. BConnected (Pvt) Ltd initiates the process of recruitment by conducting preliminary interviews, reference check etc., which in turn assists SDGAP in selecting the most suitable candidates.

Services provided by BConnected (Pvt) Ltd exceeds expectation and is highly recommended by DAI Global LLC.

Thanking you.

Yours faithfully,

**DAI GLOBAL LLC.**
